

MANAGEMENT POLICY

Code: AM-1

Review: 1

Page 1 / 1

From the management of Canteras de Santullán, we want to highlight our firm support for the continuous improvement process with the aim of increasing the competitiveness and quality of our products and customer support, satisfying the demands of all the People and organizations linked to our company, minimize our environmental impact as much as possible and prevent any damage to the health of our workers.

We assume so, the meet of the Management System implanted as sustainable means fulfilling at all times the requirements of the applicable legal own for our sector and the needs of all stakeholders.

We consider a critical question to have a team of faithful people in our company, motivated, competent and suitably formed in addition to establishing and reviewing objectives that allow us to evaluate the management of the processes of the organization.

The Management commits itself to provide all the necessary tools to implement and develop the System and to meet any demand or suggestion of our employees for that.

In order to make this Management Policy appropriate to the purpose of the organization, this is the reference framework used to establish and revise the management objectives, the basic lines of action of which are defined below:

- Minimize the risks that our organization is facing.
- To enhance the opportunities that are presented to us.
- Satisfy our customers always in compliance with the quality standards agreed with them.
- Minimize the environmental impacts identified.
- Avoid or prevent risks to people.

Signed, the Management, at 29-05-2018
